- Call: Iva Horka @ 774 102 200 for any urgent matters

We wish you a fantastic experience!

Your biggest Fans and TM Residential Weekend Organizers,

Iva & TM RW Event Committee

## MASTERING DISASTERING

**KYLE P BULLUS** | BUSINESS COMMUNICATION TRAINER – AUDIENCE CONNECTION COACH – PUBLIC SPEAKER

You've worked for weeks on your presentation. You're excited. Now it's time to deliver. Something goes wrong – equipment, the set-up, your hair, the time, nerves.

For some, these problems become disasters. And this affects the audience. Preparation is key to avoiding disaster but how and what do you prepare? What do you do if your best plans don't work out?

Be ready for anything in this lively workshop, "Mastering Disastering." We'll be working together, spontaneously, noisily, and enjoyably. You'll expand your imagination and get greater confidence so that you'll be well-prepared and better able to focus on delivering the true excitement of your intended message.

## WHEN THE HEART SHIVERS

**MONIKA COVENTRY** | COMPASSIONATE MENTAL & PHYSICAL FITNESS COACH, EXXON MOBILE SPEECH CHAMPION

We will learn how to work with one's breath, warm up for vocal cords, facial muscles. We will also discover relaxation techniques for stress relief, NLP based techniques for addressing fears (stage fright, fear of failure, fear of forgetting lines or any kind of fear or anxiety really).

## THE WALT DISNEY CREATIVITY STRATEGY

**MÁRTON CSEPREGI** | NPL MASTER PRACTICIONER – WORKSHOP LEADER – PUBLIC SPEAKER

You will learn The Walt Disney Creativity strategy; A method developed by NLP trainer Robert Dilts, based on how Walt Disney created. The aim is to do brainstorming in 3 phases: Dreaming, planning, and criticizing. It is important to do these separately. When you dream, you can say anything you want, when you plan the only question is "how can I achieve this" and you only critique the ideas at the very end. This is useful because this stops the premature killing of ideas via criticism.

## NEGOTIATIONS: LANGUAGE

**MIKE HAGAN** | 20 YEARS A TOASTMASTER – MENTORING ASPIRING SPEAKERS

One of the most important negotiations in your life is with yourself...

Does this sound like you? Why must I fail at everything I do? What happened? Why is this happening to me and why now? I have so much on my plate....

In this workshop you will learn how to negotiate with yourself and others in such a way that everybody walks away from the table satisfied.

## BUILD YOUR INFLUENCE

**ALENA HUBEROVA** | TRAINER – TEDx SPEAKER – FOUNDER OF SHELeads

To be effective in your organization (or in Toastmasters :)), you must be able to influence people. That is – unless you want to rely on your position title or your company logo to do the job for you (which is NOT something that I'd recommend). As a leader, you want people to genuinely WANT to follow you,

rather than FEEL OBLIGATED to do so just because you're the boss. So, how do you GROW your influence with the people around you? How do you motivate them to support your initiatives and adopt your ideas?

### **INTERCULTURAL COMMUNICATION WITH CULTURAL COMPETENCE**

**OLGA KUTSCHE | DOCTORATE CANDIDATE OF CULTURAL STUDIES – DISTINGUISHED TOASTMASTER – DIVISION 95 DIRECTOR**

Your personal cultural competence helps your multicultural audience to see you as a reliable and trustworthy communicator. Doctorate candidate of cultural studies and experienced toastmaster Olga

Kutsche will discuss how to connect with your intercultural environment, using cultural differences for your benefit. At the workshop you will learn:

- What every culturally aware communication act should contain
- Tricks and free tools to attract listeners of all cultural backgrounds
- How to engage with international environment in long term and productive relationships

You will leave with a checklist of an insider's secrets about crafting your intercultural communication and collaboration.

### **HOW TO DELIVER ENERGY**

**SUSANNA LÄHTEELÄ | 2022 DISTRICT 110 CONTEST WINNER (INTERNATIONAL SPEECH / HUMOROUS SPEECH / 2nd PLACE IN TABLE TOPICS CONTEST) – VICE PRESIDENT OF EDUCATION – ENERGETIC TOASTMASTER**

In this workshop, you will learn why adding energy to your speech is a crucial aspect to delivering a powerful message. You will also learn how to implement Susanna's tricks and add more energy to your speeches.

### **SERIOUS WITH ICEBREAKERS: HOW TO CREATE MEMORABLE EXPERIENCES**

**LUKÁŠ LIEBICH | REGION ADVISOR FOR EUROPE – FULL-TIME BUSINESS FACILITATOR IN MSD – PROFESSIONAL WORKSHOPS LEADER**

How to make your audience enthusiastic from the first moment? There's no point of having great content when nobody is paying attention. In this workshop, you will experience a range of icebreaker exercises – and you will receive instructions on how to run them.

### **SLICING THE SALAMI**

**PERCY ROLAND | DEBATE COACH – REAL ESTATE CONSULTANT – PUBLIC SPEAKER**

In his deals in luxury real estate, things rarely go smoothly. Bad news is everywhere: offer not accepted, mortgage not approved, house not legal, client suddenly arrested or under sanctions!

How do you sell the unsaleable? How do you turn a negative into a positive? How do you prepare bad news in such a way that the other party doesn't freak out and stays on board? And how do you (in the words of Winston Churchill) send someone to hell in a way that makes them look forward to the trip?

In this workshop, we will analyze a few delicate situations and how different communication styles will lead to different outcomes. Together, we will come up with the best way of handling each situation. Because, at the end of the day, it's all a matter of slicing the salami.

### **KEYNOTE SPEECH: THE DARK SIDE OF THE HEART**

#### **WORKSHOP: EXPLORING THE HIDDEN SIDE**

**OLIVIA SCHOFIELD** | INTERNATIONAL AWARD-WINNING SPEAKER, EXECUTIVE COACH, PRESENTATION SKILLS TRAINER, FINALIST OF WORLD CHAMPIONSHIP OF PUBLIC SPEAKING

Olivia's Toastmasters journey started in 2010, when she visited a club in Berlin. It was the start of a journey of discovery – exploring her voice and with it her value. She ended up on stage in Las Vegas, in front of an audience of 2000 expressing herself. It was the final of the World Championship of Public Speaking, the sole woman to make it to the final.

Now she helps others be themselves. She helps them use presence, presentation skills and persuasion to lead their businesses and spread their ideas. She has spoken at TEDx, given speeches in over 20 countries on 6 continents, and addressed audiences of more than four thousand.

"Speakers are film makers; they create visuals in the mind of the listener."

### **THE FUN FACTOR**

**MARC SCHUCK** | BODY LANGUAGE & CHARISMA EXPERT – SPEAKER – FACILITATOR – FINALIST IN EUROPEAN HUMOROUS SPEECH CHAMPIONSHIP

Life is too short to be serious. Marc will show you how to have more fun in your life and on stage.

### **HOW YOUR HEAD, HEART AND 6 HATS CAN IMPROVE YOUR DECISION MAKING**

**TREVOR SMITH** | LEARNING FACILITATOR – CHANGE COACH – PUBLIC SPEAKER

"How your head, heart and 6 hats" can support solving problems and increase the speed and quality of the decisions you make. You will learn technique that will improve your ability to solve problems and make better decisions.

### **INTRODUCTION TO MINDFULNESS**

**JANA STENGLLOVA** | TRAINER – TOASTMASTER ENTHUSIAST – MINDFULNESS AMBASSADOR

Join Jana on an exciting journey called Mindfulness, where you will discover quick and easy ways to ground yourself and be at ease. You will learn how to increase your focus, decrease feelings of stress and anxiety, and learn much more about your inner self.

### **SKETCH YOUR SPEECH**

**VIKTORIYA TUDORAN** | UNIVERSITY LECTURER – FINALIST OF DIVISION SPEECH COMPETITION – OUTSTANDING MEMBER OF DIVISIN 108A

Today a brand face is much more important, then a brand itself. To build our brand we have to present it, to speak about. How to make our speech unique and unforgettable? Could art help?

Storytelling in drawing and storytelling in speaking – what is common and what is different? How drawing helps to verify the main line, main character, improve speech structure, resign from unnecessary details? How to draw characters? How and to draw while speaking?

How sketching principles help us in life? These and some other practical tips and tricks at the #sketch\_your\_speech interactive workshop. Are you ready to draw?

### **IT'S NOT JUST ABOUT THE SPEAKER: CRAFTING AN EVALUATION**

**VIKTORIIA ZHOVNOVATA | BRONZE FINALIST OF DISTRICT COMPETITION – BUSINESS ANALYST – PRESIDENT OF PBT (PRAGUE, CZ)**

Remember your first time giving an evaluation to someone? That thrill, those goose bumps, that excitement? We so often go on stage to provide feedback to speakers that with time we get so used to it that we might not find it exciting anymore.

In this workshop we will focus on how to structure an evaluation like a pro, we will get partially distant from the speaker itself, so we bring the excitement back.

By the end of the workshop, we will find an answer to the question: How to evaluate a speech so that everyone remembers it?

---

We would like to Thank You all; our Workshop Leaders, Presenters, Sergeants at Arms, Sponsors and Participants for your continued support and for helping us make our dreams of Residential Weekend become a reality.
